

## 8-DAY WALKABOUT BEGINS FEB. 24

**Bishop Nominees hit the trail to meet the good folks of Wyoming**

**HERE'S WHAT YOU NEED TO KNOW ABOUT THE WALKABOUT —**

“Walkabout” is a term used to describe the visit of nominees for bishop to the electing diocese. It is a time of discernment, both for the people of the diocese but equally for the candidates themselves.

Our Wyoming Walkabout will begin on Wednesday, February 24, and it will end on Wednesday, March 3. You will find information concerning the route and daily schedule on the following pages

The primary goal of the Walkabout is to make it easy for as many Wyoming Episcopalians as possible to personally meet the six nominees in a relatively short amount of time. This goal has guided the Transition Committee in designing a route that takes the nominees around the Diocese and to a variety of events hosted by local churches. The events include brief stops as well as some longer visits. The major events — also referred to as walkabouts — will generally take place in the evening.

What might one expect at a Walkabout? Wyoming Episcopalians will meet and have opportunity to separately question each nominee. You will be asked to submit questions on index cards that facilitators will then pose to the candidates. There are no standard or pre-determined questions; rather, each group will determine its own questions. At the end of each session, there will be time for spontaneous questions from the floor.

When reviewing the route and times, please know you are encouraged to attend any of the events — and certainly more than one if you are able. If you're traveling in Wyoming at the time of the Walkabout, consider attending the event wherever you happen to be or, if an event in a neighboring town works better for your personal schedule, don't hesitate to attend that one rather than the meeting in your own community.

Please understand that the following route and dates may have to be amended because of weather, unexpected road closures or other unforeseen circumstances. Every attempt will be made to quickly notify affected parishes of any such changes.
